In addition to the project-based activities, which are in progress and will continue into the next reporting period, as opportunities become available and upon notification to the United States Department of Housing and Urban Development (HUD), OCHA will continue to explore use of project-based vouchers to meet the local need for affordable housing.

OCHA's project-based activities are consistent with the PHA Plan and the Administrative Plan in that they promote deconcentration, expand housing choice, and address the need for long-term, affordable housing. Further, the activities contribute to the achievement of the goals OCHA set-forth in Section 5.2 of the 5-Year Plan.

<b>Project Name</b>	<b>Number of Vouchers</b>	<b>Status</b>

The program will provide rental assistance payments for 44 non-elderly, homeless, disabled households that have exited recuperative care and are at risk of readmission to emergency rooms. The program will provide a needed permanent housing option for the medically vulnerable homeless population in our community that have traditionally been high utilizers of emergency medical services.
- In partnership with the Social Services Agency and Orange County Continuum of Care, OCHA applied for and received additional funding to administer the Family Unification Program (FUP). The additional funding will provide rental assistance payments for 50 households where the barrier to family reunification for families in the child welfare system (children returning to live with their parents) is stable

**DRAFT 03-05-2019 SUBJECT TO REVISION**

housing. Additionally, there are 10 new vouchers to support transitional aged youth exiting foster care. With this award, OCHA has 267 FUP vouchers.

- In partnership with the United States Department of Veterans Affairs, OCHA applied for and received additional funding to administer the Veterans Affairs Supportive Housing (VASH) Program. The additional funding will provide rental assistance payments for 132 veteran households experiencing homelessness in Orange County. With this award, OCHA has 989 VASH vouchers.

**Goal #2 Explore Use of Project Based Vouchers:**

- Oakcrest Heights - Initial lease-up of 8 project-based vouchers for homeless and mentally disabled households - completed.
- Placentia Veterans Village – New construction for 49 project-based VASH units for homeless veterans - Groundbreaking completed.

**Goal #3 Maintain High Performer status on the Section Eight Management Program (SEMAP) Certification Status:**

- HUD certified OCHA as a high performing housing authority on the SEMAP for the twelfth consecutive year.

**Goal #4 Promote Self Sufficiency:**

- OCHA continued participating in the national study of the Family Self Sufficiency (FSS) Program conducted by Manpower Demonstration Research Corporation (MDRC) and is in discussion about potential extension of participation into 2021.
- OCHA applied for renewal of its FSS Coordinator funding and was awarded \$263,507.
- Participation in OCHA's FSS Program is 57% higher than mandated by HUD.
- OCHA routinely conducts recruitment for its FSS program and provides targeted outreach to those in the FUP and VASH programs. Approximately 20% of participation in the FSS Program is by households in the FUP and VASH programs.

**Goal #5 Expand Housing Choice:**

- OCHA participated in owner outreach events, attended industry trade shows, and furthered marketing of Housing Choice Voucher Program participation via its website.
- The Orange County Board of Supervisors approved the use of County general funds for OCHA and the Orange County United Way to implement and administer a pilot Landlord Incentive Program. The program engages private market landlords, provides funds to incentivize participation, and facilitates placement of homeless participants into permanent housing using OCHA Housing Choice Vouchers.
- OCHA performed an update of its waiting list to ensure those on the list remained interested in participating in the Housing Choice Voucher Program. The update will decrease the amount of time applicant households await affordable housing, which in turn will expand housing choice.

**Goal #6 Utilize Technology:**

- During the aforementioned update of OCHA's waiting list, OCHA utilized imaging to record applicant responses to the update and provided applicants access to the Assistance Connect portal for immediate use to report changes that may affect their status on the waiting list.
- A Request for Proposals has been published for a cloud based PHA Software System, which includes an optional imaging component. Award of contract is anticipated in late 2019.
- OCHA will continue to image its historical records throughout the next reporting period.
