Housing and Community Development (H&CD) Commission

The Orange County Board of Supervisors established the Housing and Community Development (H&CD) Commission in Ordinance No. 12-004 pursuant to Health and Safety Code section 34291. The purpose of the H&CD Commission is to provide advice (a) to the Board of Commissioners of the Orange County Housing Authority (OCHA) as required by California law, and (b) to Orange County Housing and Community Development regarding the housing-related needs of the low to moderately low-income families residing in the unincorporated targeted areas and in the Cities participating in housing programs of the County of Orange. The H&CD Commission shall also advise the Department on the funding priorities for rental assistance, new housing, residential rehabilitation, public facility improvements, economic development, continuum of care homeless assistance, housing related non-profits, and other housing supportive services.

All members of the Housing and Community Development Commission are appointed by the Board of Supervisors acting as the Board of Commissioners for OCHA. The Commission meets on the fourth Thursday of each month at the Public Library Headquarters. There are eleven (11) members of the Commission, who are selected as follows:

- (1) Each member of the Board of Supervisors nominates one member of the Commission, representing the five (5) supervisory districts in Orange County.
- (2) Two (2) members of the Commission are participating tenants, receiving housing assistance from OCHA. One (1) tenant commission member shall be over sixty-two (62) years of age, if the Authority has tenants applying of such age. If a tenant commission member ceases to be a tenant of the Housing Authority, he or she shall be disqualified as a commission member and another tenant will be appointed to fill the unexpired term. The H&CD Commission recommends the two (2) individuals, who will serve as tenant commission members.
- (3) Two (2) members of the Commission are City representatives recommended by the Cities Selection Committee.
- (4) The H&CD Commission recommends two (2) individuals to serve as At-Large members.

Qualifications and Conflict of interest.

Commission members cannot have a direct financial interest in housing programs over which the Commission has oversight or influence. For example, a Commission member cannot own or manage a rental property that receives assistance from a public housing agency (housing authority). Similarly, if a Commission member is on a Board or an officer of a community organization, he or she cannot vote on any housing policy or funding issues related to that organization.

Federal regulations provide that:

(a) *Neither the public housing agency (PHA) nor any of its contractors or subcontractors may enter into any contract or arrangement in connection with the Housing Choice Voucher (HCV) program in which any of the following classes of persons has any interest, direct or indirect, during tenure or for one year thereafter:*

- (1)** *Any present or former member or officer of the PHA (except a participant commissioner);*
- (2)** *Any employee of the PHA, or any contractor, subcontractor or agent of the PHA, who formulates policy or who influences decisions with respect to the programs;*
- (3)** *Any public official, member of a governing body, or State or local legislator, who exercises functions or responsibilities with respect to the programs; or*
- (4)** *Any member of the Congress of the United States.*

(b) *Any member of the classes described in paragraph (a) of this section must disclose their interest or prospective interest to the PHA and HUD.*
